RE: James H. Quillin, Jr.  
Scoutmaster, Troop 229

Dear Wally:

Thank you for your response to our identification questionnaire concerning James H. Quillin. From the information you provided it is certain that your Mr. Quillin is the same individual as one on whom we have information. We therefore regret to inform you that we cannot accept Mr. Quillin's application.

When informing Mr. Quillin about this, simply tell him that the National Council does not wish to accept his registration in the Boy Scouts of America. If Mr. Quillin should raise any questions as to reason, you might indicate to him that registration in the Boy Scouts of America is a privilege and not a right and that the National Council reserves the prerogative to accept those individuals it feels will best serve the interests of the organization.

We are herewith enclosing a credit notice of \$1.75. Please delete Mr. Quillin's name from your records.

Please submit another application with fee for the replacement of Mr. Quillin as Scoutmaster. Please be sure to attach the enclosed referral slip with the new application so that it comes directly to our attention and we can release this unit without further delay.

Sincerely,

Paul I. Ernst, Executive

Dear Sir:

In reference to the Defective Registration Notice dated 1-16-73 we find that our registrar who is no longer with us just numbered the transmittals wrong. (12-1 was numbered 12-2, etc.) Therefore, we only made three transmittals in December instead of four as they were numbered.

We have audited our figures and the final figures will remain the same as indicated on 12-4 which should in fact have been numbered 12-3.

Thank you for bringing this to our attention. Our new registrar will do a better job in reporting to you in 1973.

Sincerely,

*Don Abernathy*
